Bicycle Catalogue

Established in 1989, Chern Shianq, a professional and experienced manufacturer provides OEM and ODM manufacturing services, mainly produces handlebar tapes, water bottles, bottle cages and motorcycle & bicycle grips... etc. All factory works are performed in accordance with ISO 9001 and BSCI standards.

In order to increase product added-value and company competitiveness, we utilizes our expertise in OEM technology and modern design concepts to develop multi-functional and ergonomically designed products that conform to lightweight and unique style.

Our goal is to achieve a high level of customer satisfaction and demonstrate customer needs to create a mutually beneficial relationship by standing our commitment to quality, efficiency and service.
