# TO DESIGN & MANUFACTURE PRODUCTS THAT MAKE CYCLING SAFER, MORE CONVENIENT & FUN.

Since 1981, YUEN I has been specializing in the design and manufacture of high-quality bicycle kickstands, carriers, workstands and assorted accessories. With our wide range of products, we devote ourselves in fulfilling a diversity of customer requests. Keeping abreast of the latest technical know-how and product development allows us to satisfy the demands of customers worldwide. This is why we have a high reputation in both the OEM/ODM and AM markets.

To follow our philosophy of "Integrity in Business," we will continue to provide products with superb quality, enabling a stable and continuous growth. YUEN I is a firm believer in standing reliably behind its customers.

## Advantages

We offer a complete array of products and manufacturing services unmatched by most other factories in the industry.

- 1 Every process is made in-house using our own facilities and personnel so we can control the quality and schedule.
- 2 You do not have to go to other factories to finish your product. This greatly enhances production efficiency.

## Manufacturing solutions from start to finish:

## Customization

We put a lot of emphasis and focus on product development and design, as well as in OEM/ODM. We work together with customers in product creation, engineering and solutions to make sure our customers stay ahead of the market and the competition.

In recent years, Yuen-I has substantially invested in advanced machineries and technology for expanding the production capacity and manufacturing diversification in order to satisfy and adapt quickly to ever-changing market trends.

So if you have a particular product or project in mind, why not contact us and we can discuss how to bring your products into reality, quickly and properly.

## Capabilities

### Fabrication

Die-casting

Aluminium extrusion

Metal punching

Plastic Injection

Tube bending

Stamping

### Welding

ARC

CO<sub>2</sub>

Robotic

Spot

### Finish & Graphics

Powder-coating

Sand-blasting

Printing

Laser-carving

Support mechanism for seatpost carrier

**M-41A**  
Extension bracket  
Fitted on front / rear carrier stays (7.8mm-14mm)  
Default extension bracket tube size is 22mm

**YI-1**  
Detachable bike clip clamp  
Standard size for plastic joints: 8mm

# CENTER KICKSTANDS

## 3 types of kickstand adjustments

Every process is made in-house using our own facilities and personnel so we can control the quality and schedule. You do not have to go to other factories to finish your product. This greatly enhances production efficiency.

### 1. Clip-type adjustment system

Fast and convenient adjustment with just a clip-type interface. No tools needed.

Look for this logo for kickstands with the clip adjustment.

### 2. Pin-type adjustment system

A simple pin system allows you to quickly adjust your kickstand. A proven problem-free mechanism.

### 3 Fixed system

No adjustment possible. The fixed system is the simplest and most robust form of kickstand able to withstand rough use. Heavy-duty construction ensures years of trouble-free service.

## Bottle Cages & Adapters

PATENTED

**YAB-29**

Alloy plate

With laser-etched pattern

Weight: 32 grams

**YAB-31**

Alloy

**YAB-33**

Alloy with composite adjustment system

Fits diameter: 54mm - 74mm bottles

4-point front fixing for secure bottle retention and easy removal

**YAB-12A**

Alloy

Fits standard beverage cans and PET bottles

Allows bottles to be taken out easily

Adjustable height, secure and quick neck fixing of PET bottles

**YAB-34**

Composite

**YSB-1**

Light steel

PATENTED

**M-38**

Multi-function turning adapter

For 22mm - 36mm tubes

Fits on handlebars and bike frames and seat post, turns to 24 angles

PATENTED

**M-25**

Fixes on the frame's bottle cage holes

Allows re-position of bottle cage holes

Adjustment: 45mm up / 45mm down

Weight: 29 grams

**WORKSHOP, STORAGE & BICYCLE STANDS**

# Workshop, Storage & Bicycle Stands

# Workshop, Storage & Bicycle Stands

**WS-101A**

Bike carrier adapter with telescopic extension up to 65mm  
For Y-frame

**WS-403**

Mounted on seat and chain stays  
Powder-coated  
Color: Black, white

**WS-403B**

Easy to adjust angle via hooks to fit various bikes

**WS-403C**

Maintenance stand with foldable base

**WS-415D**

Parking stand  
Can be extended by connecting several units together

**WS-416JC**

Enhanced "L" shaped steel  
Spring mechanism auto-slide and lock  
For 20" to 29" bikes

**WS-416JQ**

Knockdown design  
Spring mechanism auto-slide and lock  
Small package, suited for online selling  
Enhanced "L" shaped steel  
For 20" to 29" bikes

**WS-420**

Foldable parking stand  
Roller with spring tension allows a smoother and easier movement  
For 20" - 29" bicycles, 23mm - 3" tires

**WS-501A**

Wheel truing stand for all wheel sizes  
Foldable, compact, portable and lightweight  
With tire fixation

**WS-405**

Color: Black

**WS-406D**

Suitable for bicycles with wheel size under 29", patented design that allows easy fitting of skewer quick release levers, extra clamp length for easier derailleur adjustment

**WS-406C**

Open design allows cleaning and maintenance of the cassette when installed  
Outstanding stability when installed  
suitable for high-traffic areas

**WS-412**

Outstanding stability when installed  
suitable for high-traffic areas

**WS-911A**

Foldable single bicycle hook  
Wall-mounted

**WS-918A**

Foldable bicycle wall hanger  
Wall-mounted  
Front fork holder  
5mm, 12mm and 15mm thru-axle  
For 20" - 29" bicycles, 23mm - 3" tires

**M80A**

Front fork holder  
5mm, 12mm and 15mm thru-axle  
For 20" - 29" bicycles, 23mm - 3" tires

**YSS-4**

Safety handle for children's bikes
