

ALHONGA

Professional brake manufacturer

2023-2024

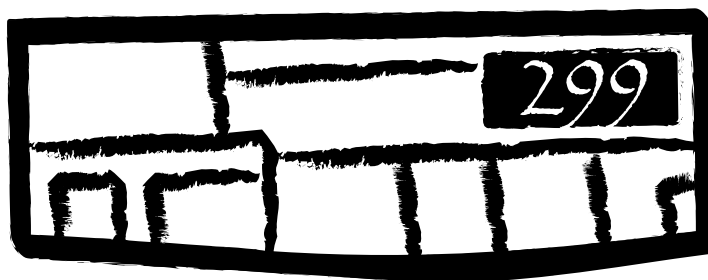

SINCE 1981

Founded in 1981, Alhonga Enterprise strived to become the most competitive and professional brake system supplier in the world. Being a professional brake part manufacturer, Alhonga enterprise upholds its core values: creativity, passion, and efficiency when working towards our ultimate goal and vision.

This company has always operated under the mission statement to spread over the world while maintaining its root at here in Taiwan. The company created a new brand to house the mechanical brakes, hydraulic disc brake and other many customize parts used solely for racing bikes, thus was the opening of a new market. To preserve our mission and vision statement, the company based in Taiwan seeks to expand its assembly line, importing new automated machinery that would aid efficiency and also the digitalization of such processes.

Such measures were implemented in our warehouses to adapt to the challenges, hardships, and the competitiveness faced in the global market.
